

Angi Inc. Announces Third Quarter 2026 Earnings Date and Investor Day Update

October 14, 2026

DENVER, Oct. 14, 2026 (GLOBE NEWSWIRE) -- Angi Inc. (NASDAQ: ANGI) today announced that it will report its third quarter financial results after the market closes on Tuesday, November 3, 2026. The results and any accompanying materials will be available at ir.angi.com/quarterly-earnings. The Company will host a conference call to discuss the results at 8:30 a.m. E.T on Wednesday, November 4, 2026.

The earnings call will be expanded to include an introduction to new CEO, Mike Steib, and his preliminary strategic framework and areas of focus. Angi's previously scheduled Investor Day will now be moved from November 17 to the first half of 2027.

"Homeowners know and trust Angi and we have a strong foundation in helping them connect with skilled pros. Yet, booking the right pro remains a challenge across the home-services market and we see a significant opportunity to make that experience faster, easier and more effective with AI-driven products and operations. By building on Angi's strengths and executing with greater speed and focus, we can deliver better results for homeowners, pros and shareholders," said Mike Steib, chief executive officer of Angi. "While it's early, I'm confident in our ability to improve EBITDA and cash flow in the near term as we build a stronger, growing business for the long term. I look forward to sharing my initial observations and priorities on the call."

The live audiocast and replay will be available to the public through the investor relations section of Angi's website at ir.angi.com/quarterly-earnings.

About Angi Inc.

Angi (NASDAQ: ANGI) helps homeowners get home projects done well and helps home service professionals grow their businesses. Founded in 1995, Angi connects homeowners with skilled local professionals, from plumbers and electricians to remodelers and landscapers, and provides tools for researching costs, planning projects and hiring with confidence. Homeowners have turned to Angi and its vast network of skilled home pros for help with more than 300 million projects.
